Subject Index

Volume 28

A

Abuse, against women, two-day immersion course on, 4:170
Achievement, assessment of, electronic portfolios for, 1:31
Adult health/mental health clinical experience, 2:51
Anatomy, mentoring in, 5:197
Anxiety, induced by new clinical experiences, 5:202
Art of nursing, learning through continuing case study and cooperative learning, 4:191
Associate degree programs, predictors of NCLEX-RN success students of, 5:232
Attention deficit hyperactivity disorder, nursing students with, 4:161
Audits, of curricula, process for conducting, 1:5
Audit trail, for qualitative investigations, 4:175

B

Baccalaureate education
new-graduate ideal qualities and, 3:104
RN to BSN program and, 3:121
weekend program for, 2:77
Bereavement, strategies for teaching, 2:71
Bioterrorism, mini-lecture series on bioterrorist agents and, 2:70
Blackboard program, 5:207

C

Case-study approach, for clinical experiences, 1:3
Children, clinical experience with foster care and, 1:14
Clinical experience
adult health/mental health combined experience, 2:51
benefits of preceptorship for, 247
elder care and, 5:204
Clinical experiences
case-study approach for, 1:3
with foster care, 1:14
new, anxiety induced by, 5:202
in perioperative nursing, 1:1
preceptorship for, 5:200
Code books, teaching strategy on construction of, 3:132
Collaborative learning, problem-based, 2:83
Collaborative testing, 2:95
Community care, student leadership development for, 3:127
Community health, promoting personal safety in, 2:89
Continuing case study, learning art of nursing through, 4:191
Cooperative learning, learning art of nursing through, 4:191
Critical thinking, generating in classroom, 3:136
Curricula
assessment of, electronic portfolios for, 1:31
audits of, process for conducting, 1:5
for end-of-life care, 3:111

D

Debates, for teaching ethical content, 1:37
Discussion, for teaching ethical content, 1:37
Discussion groups, Web-based, 1:26
Diversity
international electronic email exchange programs and, 4:156
pre-college program for culturally diverse high school students and, 3:107
Drawing, as clinical learning tool, 2:58
Dying patients. *See* End-of-life care

E

Elder care, practicum experience and, 5:204
Electronic portfolios, for student assessment, 1:31
Email, international electronic email exchange programs and, 4:156
End-of-life care
achieving excellence in, 1:40
ELNEC curriculum for, 3:111
ELNEC experience for training in, HHH
encouraging student nurses' creative expression about experiences with, 4:149
Ethics, classroom debates for teaching, 1:37
Experiential approach, for teaching research, 2:63
Experiential learning theory, incorporating into online course design, 1:10

F

Faculty
nurturing of novice educators and, 250
preparation for preceptorship experience, 5:210
teacher's notebook for, 3:101
Foster care, clinical experience with, 1:14

G

Grief, strategies for teaching, 2:71

H

Health, models of, as foundation for teaching nursing strategies, 261
Health promotion, clinical practicum for, 1:23
HESI Exit Exam, 3:141
Holistic practice, combined adult health/mental health clinical experience, 2:51
Home visiting, Nightingale Tracker for, 1:15
Humanities, integrating into clinical experiences, 1:3
Humor, for reinforcing key concepts, 2:61

I

Infectious diseases, mini-lecture series on bioterrorist agents and, 2:70
Internet
Blackboard program for testing and, 5:207
international electronic email exchange programs and, 4:156
Web-based discussion groups and, 1:26

J

Japanese students, international electronic email exchange programs and, 4:156

L

Leadership, in community settings, enhancing, 3:127
Learning tools, student drawing as, 2:58
Lectures
  large, Web-based discussion groups for, 1:26
  mini-lecture series on bioterrorist agents, 2:70
Life styles, determining students' preferences for, 2:54
Loss, strategies for teaching, 2:71

M

Mass casualty disaster course, 271
Master's degree program, in population health nursing, 5:212
Mental health, combined adult health/mental health clinical experience, 2:51
Mentoring, in anatomy and physiology, 5:197

N

NCLEX-RN
  changes in, 276
  HESI Exit Exam to measure preparedness for, 3:141
  post-graduation factors predicting success on, 257
  predictors of success for, 5:232
Nightingale Tracker, 1:15
Nurse practitioners, collaboration for education of, 5:227
Nursing shortage. *See* Shortage of nurses
Nursing strategies, model of health for teaching, 261

O

Omaha System, Nightingale Tracker for automating, 1:15
Online courses, incorporating experiential learning theory into, 1:10
Online education
  enhancing interactions in Web-based courses and, 5:237
  hybrid classes incorporating, 243
  RN to BSN program and, 3:121
  video streaming for, 2:66
Outcome-Oriented Publishing Workgroup, 6:284

P

Palliative care, ELNEC curriculum for, 3:111
Partnerships, between nursing education and nursing practice, 4:153
Perioperative nursing, avoiding problems when establishing a student learning experience in, 1:1
Physiology, mentoring in, 5:197
Population health nursing, master's degree program in, 5:212
Preceptorship, 5:200
  advantages of, 247
  faculty preparation for, 5:210
Pre-college program, for culturally diverse high school students, 3:107
Problem-based learning
  collaborative, 2:83
  integrating humanities into, 1:3
Program evaluation, systematic plan for, 4:179

Q

Qualitative investigations, audit trail for, 4:175

R

Recruiting students into nursing, 1:8
Registered nurses
  older, perspectives on nursing education, 1:18
RN to BSN program for, 3:121
Research
  audit trail for qualitative investigations and, 4:175
  critical nurses' thinking, 6:255
  experiential approach to teaching, 2:63
Retaining students, 281
Role-playing, for reinforcing key concepts, 2:61

S

Safety, promoting in community health, 2:89
Shortage of nurses, elder RNs' perspectives on nursing education and, 1:18
Socialization, activities designed to social students into nursing and, 2:55
Social justice, teaching of, 5:222
Software, for automating Omaha System, 1:15
Spiritual care, effectiveness of preparation for, 4:185
Spirituality, nurturing in students, 245
Storytelling, as teaching technique, 5:217
Student achievement, assessment of, electronic portfolios for, 1:31
Student retention, 281

T

Teaching strategies
  activities designed to social students into nursing and, 2:55
  for code book construction, 3:132
  humor and role-playing to reinforce key concepts and, 2:61
  mentoring in anatomy and physiology as, 5:197
  storytelling as technique and, 5:217
  for teaching loss, grief, and bereavement, 2:71
Teaching tools
  for nurturing spirituality in students, 245
  skin-lesion cupcakes as, 4:151
  teacher's notebook as, 3:101
Terrorism
  mass casualty disaster course and, 271
  mini-lecture series on bioterrorist agents and, 2:70
Testing. *See also* NCLEX-RN
  Blackboard program for, 5:207
  collaborative, 2:95

U

University health fair, student-developed, 1:23

V

Video streaming, 2:66
Violence, against women, two-day immersion course on, 4:170

W

Web-based courses, interactions in, enhancing, 5:237
Web-based discussion groups, 1:26
Weekend nursing program, 2:77
Women, abuse and violence against, two-day immersion course on, 4:170
